To whom it may concern,

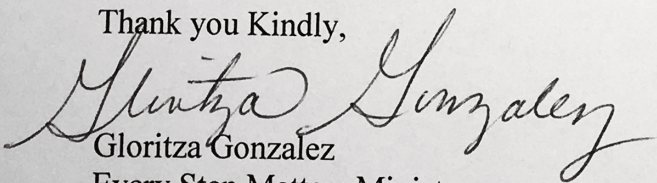

My name is Gloritza Gonzalez and I am the co-founder of (ESM) Every Step Matters Ministry's. I was ecstatic when Brandon asked me to write him a reference letter because I have the opportunity to write to you about this wonderful man of God. I have had the pleasure of working with Brandon several times throughout the past couple years. We have worked together during retreats and concerts in which either our ministry has come up to NY or he has traveled out to Westfield, Massachusetts where ESM ministry's is based out of.

Brandon is professional, reliable and always comes through when you need him. He not only has the ability to multi-task, but he also works hard and is extremely passionate about what he does. He can juggle life's challenges without it affecting his work or professional life.

Brandon is unlike anyone I have ever met, his faith, love and dedication to Christ and the youth is undeniably present in everything he says and does. To know Brandon, is to know that you will always have a reliable, genuine, and faithful, man that lives to inspire others through his music, talent and artistic side. Brandon never ceases to amaze me and you will not regret having this young man be part of your organization. He is a leader but at the same time can step back and be lead. I am privileged to know and work with him, he has become a friend and brother in Christ.

If there is anything that I can be of assistance or can explain further please do not hesitate to call or e-mail me.

Thank you Kindly,

Gloritza Gonzalez
