To Whom it May Concern,

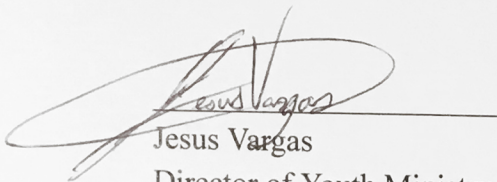

It has been my absolute pleasure to work with Mr. Brandon Morel in the area of Youth Ministry. Over the last 2 to 3 years I have gotten to know and see first hand the extraordinary work ethic and perseverance that he exemplifies in such a unique way. Being a leader among leaders is definitely one of his strengths, with the ability to engage and speak on topics that might be challenging to other leaders in the same field.

Another obvious strength is his ability to work with little or no resources presented. I have witnessed first hand the way his love for what he does sparks his creativity in combination with his experience to make something out of nothing.

Mr Morel exemplifies the composed and servicial character any leader should maintain. I have had the honor of watching Mr. Morel's work in different aspects of ministry. I have seen his ability maintain attention and engage every individual in his audience in his talks, performances, workshops, and weekly youth sessions in ways they might have never experienced before. His close relationship with God overflows and his love for him trickles into his work.

As a Youth Minister I can definitely say that having an individual like Brandon Morel around to build community with and share ideas has been an extremely helpful to my personal growth in ministry. He is definitely an exceptional human being with exceptional talents and strengths. It is my absolute pleasure to recommend Brandon Morel.

Sincerely,

Jesus Vargas
