

“LIBERTY TAX”

LYRICS BY: THE SYMBOL

Ha Ha...

Just in time for tax season right?...

Hook:

Liberty Tax

Lady Liberty

Liberty Tax

Liberate me from Liberty

Liberty Tax

I'm seeking his Liberty

'Cuz Liberty Tax

Has nothing to do with Liberty

Verse 1:

He's standing on corner
passing out flyers for Liberty Tax

That's what I see literally but I know

That this means way more than that

See Lady Liberty –

Makes us pay liberty tax

It's costing our people for Freedom

What kind of Liberty's that?

Land of the Free

Land of opportunity

That's true for you and me

If only you have a school degree

Take out loans for that

When you graduate then pay it back

Now your job is on top but...

You're still paying Liberty Tax

Hook:

Liberty Tax

Lady Liberty

Liberty Tax

Liberate me from Liberty

Liberty Tax

I'm seeking his Liberty

'Cuz Liberty Tax

Has nothing to do with Liberty

Verse 2:

Divorce from your spouse

That will cost you some Liberty Tax

A Lady does not want her baby

Planned Parenthood takes care of that

Don't wanna face problems

Hit up that club later tonight

You don't have no money

'Oh well' Capital One Credit swipe

Cop some new kicks – indulge in the hype

Post on the gram

You're paying for followers

Paying for likes

Still think you're the man

Ya'll stuck in this world

Chasing your Liberty Tax

I'm Seeking God's Kingdom

'Cuz that's the one place

Where Liberty's fact

Hook:

Liberty Tax

Lady Liberty

Liberty Tax

Liberate me from Liberty

Liberty Tax

I'm seeking his Liberty

'Cuz Liberty Tax

Has nothing to do with Liberty
