To Whom It May Concern,

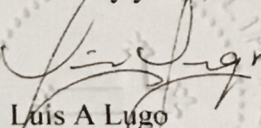

I am pleased to write this letter of recommendation, without any reservation or hesitation, For Mr. Brandon Morel. I have come to Know Mr. Morel for the past ten years through his involvement in a youth retreat at the Church of Our Lady of Refuge. I feel that I am qualified to bear testimonial with respect to his abilities and accomplishment both professionally and personally.

Mr. Morel has demonstrated a profound and deep-rooted commitment to the people and well-being of our parish, his parish, or any parish he offers to help. He gives far more of his time to his program and to the parish than he is compensated for. He is very attentive to details and has excellent administrative skills. Having lived all of his life in the Bronx, and as a youth having been very active at our neighboring parish, he brings a unique set of skills to his program.

Understanding the local culture so very well, he is able to communicate clearly and firmly with both students and parents and so enjoys their respect. He works closely with our youth ministry program, Confirmation retreat, Communion retreat, and Youth events. He attends all teams meeting with such respect and devotion. Out of that he has succeeded in engaging a large number of high school students in helping them develop a personal relationship with Christ.

I cannot recommend Brandon more highly for your consideration. If there is any questions or concerns, please call me at 718-733-3200.

Sincerely yours,

Luis A Lugo
Coordinator of Religious Education
